

**INDEPENDENT AUDITOR'S REPORT**

**To the Members of VICTORY ELECTRIC VEHICLES INTERNATIONAL LIMITED**

**Report on the Standalone Financial Statements**

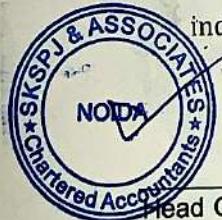

**Opinion**

We have audited the accompanying financial statements of VICTORY ELECTRIC VEHICLES INTERNATIONAL LIMITED (herein after referred to as 'the Company' which comprise the balance sheet as at 31 March 2025, the statement of profit and loss, the cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information (herein after referred to as 'the financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone financial statements give the information required by the Companies Act,2013 (herein after referred to Act) in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act, and read with rules and accounting principles generally accepted in India, of the State of Affairs of the Company as at 31 March 2025 and its financial performance including its cash flows for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the financial statements under the

provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter (EOM)**

We draw attention to Note 22 of the financial statements, which states that the Hon'ble National Company Law Tribunal, New Delhi Bench, had admitted the Company under the Corporate Insolvency Resolution Process ("CIRP") vide order dated 09 May 2025 on an application filed by Cosmo World, an Operational Creditor. Subsequently, vide order in IA No. 2483/2025, the Hon'ble NCLT allowed withdrawal of the CIRP under Section 12A of the Insolvency and Bankruptcy Code, 2016, after full settlement of dues to Cosmo World and consent from the sole Financial Creditor, HDFC Bank Ltd. Consequently, the CIRP proceedings have been concluded. Our opinion is not modified in respect of this matter

#### **Information other than the Standalone Financial Statements and Auditors Report Thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexure to Board's Report, Business Responsibility Report but does not include the standalone Financial Statements and our auditor's report thereon.

Our Opinion on the standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statement, Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

### **Responsibilities of the Management and Those Charged with Governance for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act,2013('The Act') with respect to preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting standards and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error .In preparing the financial statements, management is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain

professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on effectiveness of the Company's internal financial controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We also communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Annexure - B to the Auditors' Report**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of VICTORY ELECTRIC VEHICLES INTERNATIONAL LIMITED ("the Company") as of 31 March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any

evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

21 Corporate social responsibility expenditure

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. The areas for CSR activities are eradication of hunger and malnutrition, promoting education, art and culture, healthcare, destitute care and rehabilitation, environment sustainability, disaster relief and rural development projects. A CSR committee has been formed by the company as per the Act. The funds were primarily allocated to a corpus and utilized through the year on these activities which are specified in Schedule VII of the Companies Act, 2013:

22 Corporate Insolvency Resolution Process (CIRP)

The Hon'ble National Company Law Tribunal ("NCLT"), New Delhi Bench, vide order dated 09 May 2025, had admitted an application under Section 9 of the Insolvency and Bankruptcy Code, 2016 ("IBC") filed by Cosmo World, an Operational Creditor, against the Company. Subsequently, a settlement was reached between the Company and Cosmo World, and an application under Section 12A of the IBC was filed for withdrawal of the CIRP. The Hon'ble National Company Law Appellate Tribunal ("NCLAT"), vide order dated 11 June 2025, directed expeditious disposal of the withdrawal application, noting that the sole Financial Creditor, HDFC Bank Ltd., had raised no objection. The Hon'ble NCLT, vide order in IA No. 2483/2025 in CP (IB) No. 723/ND/2023, allowed withdrawal of the CIRP, after observing that the dues of Cosmo World were fully settled and the sole Financial Creditor had given unconditional consent. Consequently, the earlier admission order dated 09 May 2025 was set aside and the CIRP proceedings stood withdrawn and concluded. The Company has settled the CIRP-related costs and the financial statements have been prepared on a going-concern basis.

The Company is engaged in the business of manufacturing of battery operated electric rickshaw, solar rickshaw, Auto-rickshaws, Motor vehicles, Scooters, Motor-Scooters, three-wheelers, motor cycles, cycles automobiles, motorcars. The Company has its registered office at Plot No. 6, Second Floor, Block A-5, Maa Bhagwati Apartment Paschim Vihar Delhi 110063.

**Note 2: Accounting Convention**

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP), and mandatory accounting standards as prescribed under section 133 of the Companies Act 2013 read with rule 7 of companies (Accounts) Rules, 2014 issued by the Ministry of Corporate Affairs. The company has complied in all material respects with the Accounting Standards notified under the Companies Act 2013. The financial statements have been prepared on an accrual & going concern basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous years, except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy with that to be in use.

**Note 2.1 Summary of Significant Accounting Policies**

**a. Use of Estimates**

The preparation of financial statements in conformity with Generally Accepted Accounting Principles, requires making of estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the reporting year. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

Differences between the actual results and estimates are recognized in the year in which the results are known/ materialized.

**b. Going Concern**

The Financial Statements have been prepared on going concern basis using accrual concept except for the statement of cash flow

**c. Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

**Assets:**

An asset is treated as current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- b) Held primarily for the purpose of trading
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

**Liabilities:**

A liability is current when:

- (a) It is expected to be settled in normal operating cycle
- (b) It is held primarily for the purpose of trading
- (c) It is due to be settled within twelve months after the reporting period, or
- (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

**Operating cycle:** The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

**d. Revenue Recognition**

**Sale of products**

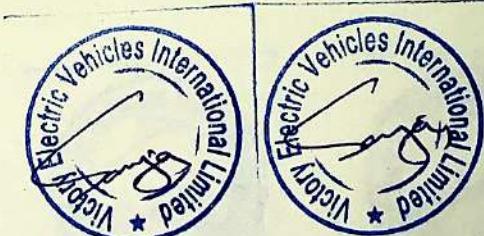

Revenue is recognized upon transfer of control of the products to customers at a point in time i.e. when the products are delivered to the carrier in an amount that reflects the consideration that the company expects to receive in exchange for those products (i.e.) transaction price.

**Interest**

Interest is recognized on time proportion basis, determined by amount outstanding and the rate applicable and where no significant uncertainty as to measurability or collectability exists.

**Dividend income**

Dividend Income on Investment is recognized when right to receive the payment is established.

**e. Property, Plant and Equipment (PPE) and Intangibles**

Property, Plant and Equipments are recorded at the cost of acquisition less accumulated depreciation. Cost of a Property, Plant and Equipment comprises purchase price, freight, duties, non-refundable taxes or levies and other directly attributable costs incurred to bring the assets to their working condition for intended use; any trade discounts and rebate are deducted in arriving at the purchase price.

Gains or losses arising from sale of PPE are measured as the difference between the net proceeds and the carrying amount of asset and are recognized in the Statement of Profit & Loss in the year in which the asset is sold.

Subsequent costs related to an items of property, plant and Equipments are recognised in the carrying amount of the items, if the recognition criteria are met.

**f. Depreciation and Amortization**

Depreciation on tangible assets is provided on the written down value method as per the useful life specified in Part "C" of Schedule II of the Companies Act, 2013 and after retaining the residual value of 5% of the original cost of the assets as specified in the said Schedule. Depreciation for assets purchased / sold during a period is proportionately charged. Further, the Schedule II to the Companies Act, 2013 requires that useful life and depreciation for significant components of an asset should be determined separately. As certified by management, there is no component that needs to be separately accounted for. Property, Plant and Equipments having value less than ` 5,000 are fully depreciated.

Category	As Per Schedule II	As Per Management
<b>Plant and Machinery</b>	15 Years	15 Years
<b>Computer &amp; Accessories</b>	3-6 Years	3-6 Years
<b>Furniture and Fittings</b>	10 Years	3 years
<b>Vehicles</b>	8 Years	8 Years

**g. Foreign currency transactions**

Transactions in foreign currency are accounted for at the exchange rate prevailing on the date of transactions.

Monetary items denominated in foreign currency are restated at exchange rate prevailing at the year end and overall net gain/loss is adjusted to the Statement of Profit & Loss. Non-Monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction.

The exchange differences arising on the settlement of monetary items or on reporting these items at rates different from rates at which these were initially recorded/reported in previous financial statement are recognized as income/expense in the year in which they arise

**h. Taxes on income**

Tax expense comprises current and deferred tax.

**Current tax**

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

**Deferred tax**

Deferred tax is recognized on timing differences between the accounting income and the taxable income for the year, and quantified using the tax rates and was enacted or substantively enacted as on the Balance Sheet date. Deferred tax assets subject to consideration of prudence, are recognized and carried forward only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

**i. Employee Benefits**

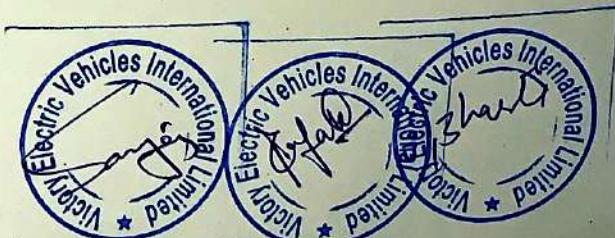

Expenses and Liabilities in respect of employee benefits are recorded in accordance with Revised Accounting Standard 15 – Employees Benefits (Revised 2005).

i) Short-term employee benefits are recognized as an expense at the undiscounted amount in the statement of profit or loss of the year in which related service is rendered

ii) Payments to Defined Contribution Retirement Benefit Schemes are charged as an expense they fall due.

The company has defined contribution plans for the post employment benefits namely Provident Fund and Employee State Insurance. The company's contributions in the above plans are charged in the statement of profit and loss.

iii) For Defined Benefit Schemes, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Actuarial gains and losses are recognized in full in the profit and loss account for the period in which they occur. Past service cost is recognized immediately to the extent that the benefits are already vested, and otherwise is amortized on a straight line basis over the average period until the benefit become vested.

j. **Provisions, contingent liabilities and contingent assets**

Provisions are recognized in the accounts in respect of present probable obligations arising as a result of past events and it is probable that there will be an outflow of resources, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent Assets are neither recognized nor disclosed in the financial statements.

k. **Borrowing Costs**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are charged to Statement of Profit and Loss in the period they occur.

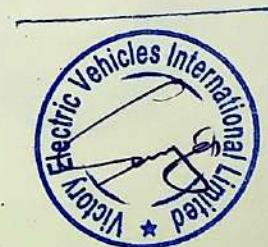

l. **Leases**

**Operating Lease:** Lease arrangements where the risks and rewards incident to the ownership of assets substantially vests with the lessor, are recognized as operating leases. Lease rentals in respect of such assets taken are charged to Statement of Profit & Loss as per the terms of the lease agreement.

**Finance Lease:** Lease arrangements where all risks and rewards incident to the ownership of assets substantially transferred to the lessee. The lower of the fair value of the assets and present value of the minimum lease rentals is capitalised as fixed assets with corresponding amount shown as lease liability. The principal component in the lease rental is adjusted against the lease liability and the interest component is charged to Statement of Profit and Loss.

m. **INVENTORIES**

Inventories are stated at lower cost and net realizable value. Cost is determined using the Weighted Average method. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated cost necessary to make the sale.

**n. Earning per share**

Basic earning per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating Diluted Earning per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. A transaction is considered to be anti-dilutive if its effect is to increase the amount of earning per share, either by lowering the share count or increasing the earnings.

**o. Cash Flow Statement**

The cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated as specified in Accounting Standard -3 (AS-3) "Cash Flow Statement".

**p. Cash and Cash Equivalents**

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

**q. Impairment of Assets**

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the period in which an asset is identified as impaired. After impairment depreciation is provided on the revised carrying amount of the assets over its remaining useful life. The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.
